

Computer Instructor - Regina

MicroAge Training in Saskatoon is seeking the services of computer instructors. This is a contracted part time position. Instructors are contracted on a daily basis as required dependent upon the demand of the classes.

Ideal candidates are individuals who have advanced knowledge levels of Microsoft office and/or Adobe suite products. Real work experience in using these products would be of great benefit. Previous class room experience would also be an asset.

Classes are scheduled during the day from Monday to Friday.

A professional, outgoing personality with a strong desire to help people learn is required.
